

Consent to Publish Online: To be used for ENCMP 100 Programming Contest

Title of Work: Matlab Chemistry Suite V3.0

Author(s) (incl. Student ID #): D S Maburur Hyder 1560573

Afrideee Islam Alif 1551866

Definitions

- a) "Work" means the code and video presentation submitted by the author(s) for the ENCMP 100 Programming Contest; and
- b) "Contest Organizers" means the ENCMP 100 instructors and TA(s) involved in the creation, administration, and management of the ENCMP 100 Programming Contest.

The above-noted Author(s) hereby authorize(s) the University of Alberta (including the Contest Organizers) to publish, reproduce, and distribute (including publication on a third-party website) all or any part of the Work as a reference example or for non-commercial and/or educational purposes.

The copyright and moral rights for this work shall remain with the Author(s). The University of Alberta shall not alter the content of the identified submittals without the Author(s) written consent.

The Author(s) hereby warrant(s) that the Work is original and that the above-noted individual(s) is/are the author(s) of the Work. To the extent the Work incorporates software, video samples, images, figures, data, or other material from the works of others, the Author(s) warrant(s) that she/he/they has/have obtained all necessary consents and permissions, and has/have provided such consents and permissions to the Contest Organizers.

The Author(s) consent to the following personal information appearing with these materials

My Name	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
E-mail address	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
Code for ENCMP 100 Contest	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No

Other items of personal information – please specify:

☒ Video posted to YouTube presenting the code

☒ Link(s) to LinkedIn profile(s) of author(s)

In signing this form, I/we give consent to the use of the materials identified herein and the publication of the personal information identified herein. I/we reserve the right to notify the University in writing at any time to revoke the permission given herein.

I/we understand that, should I/we decide to revoke the consent granted herein, the University of Alberta will take steps to remove the video, including any personal information, from the online presence on which the video/information was posted. However, as the video/information will already have been posted online in a world-readable fashion, I understand that copies of my work may nonetheless exist elsewhere, and that the University of Alberta is not responsible for pursuing and/or removing any additional copies.

If working alone, please sign under the first space below. Both members must sign if working as a team.
